Date: _____

My 2-Digit Place Value - Diary -

These three numbers are
2-digit numbers!

I can write my 2-digit numbers in words.

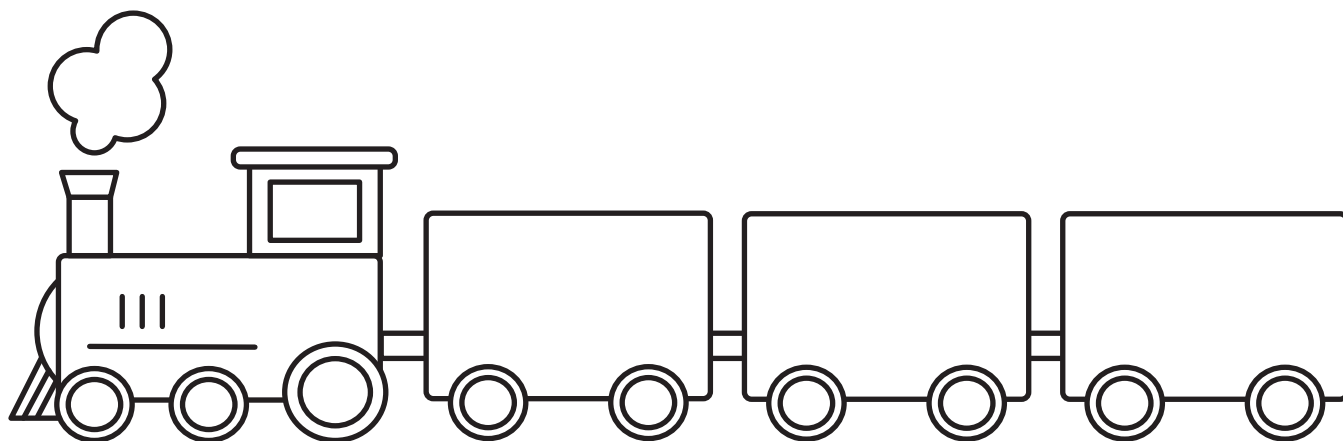

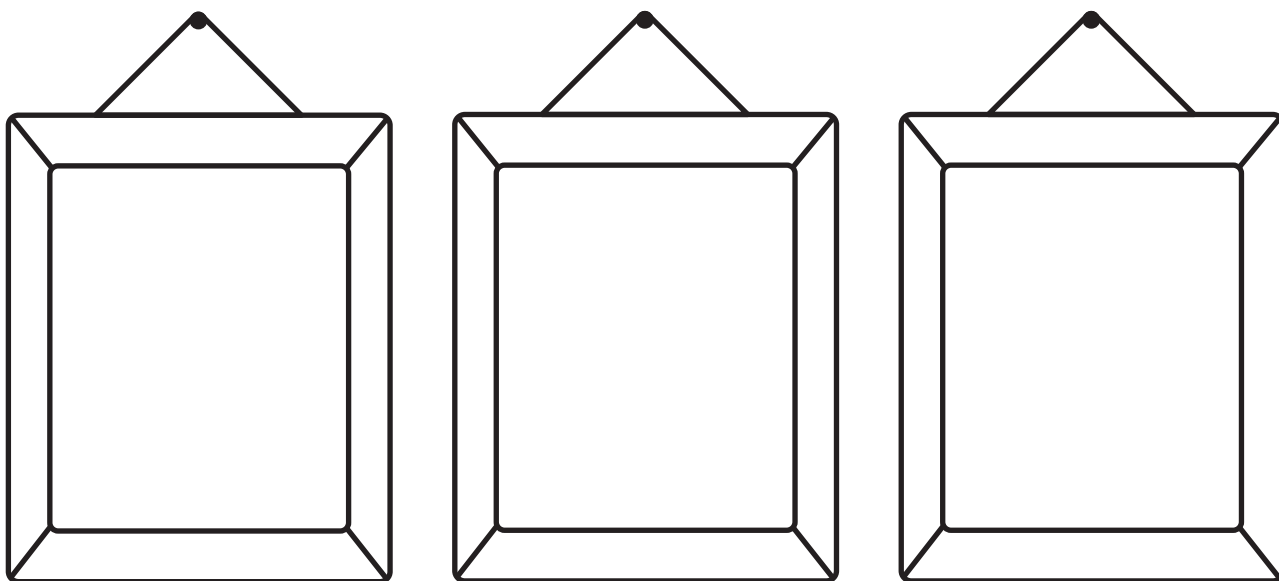

I can sequence my 2-digit numbers from smallest to largest.

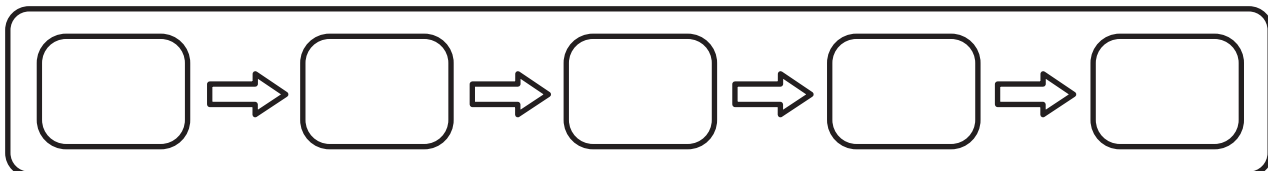

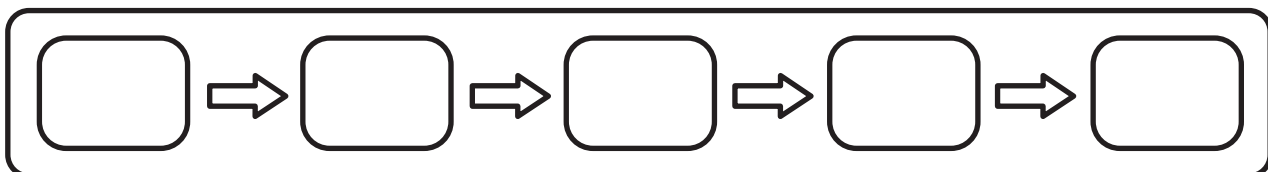

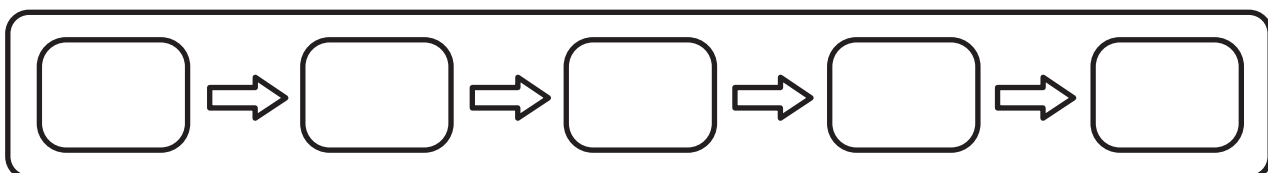

I can find a picture of my
2-digit numbers.

 Teach Starter

I can create a skip pattern starting
at each of my 2-digit numbers.

 Teach Starter

I can place my 2-digit numbers on a number line.

 Teach Starter

I know how many tens and ones are in each of my 2-digit numbers.

tens	ones

tens	ones

tens	ones

 Teach Starter

I can expand each of my
2-digit numbers.

$$\square = \square + \square$$

$$\square = \square + \square$$

$$\square = \square + \square$$

I can make each of my 2-digit
numbers with MAB.

tens	ones

tens	ones

tens	ones
